### **Examiner's Amendment**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

#### **In the claims:**

Claim 16 is amended to insert the term "comprising" after the phrase—network—on the second line of the claim.

Claim 16. (Currently Amended by the Examiner) A central fax storage and retrieval system for centrally managing documents over a telecommunications network comprising:

a server coupled to a telecommunications network;

a fax receiver coupled to the server for receiving faxes sent from a user's fax machine;

a telephone voice response system coupled to the server, the telephone response system having pre-recorded message prompts and voice recognition software for receiving user selections of the prerecorded message prompts, and the telephone response system receiving a message identifying a user; and

a database coupled to the server, the database capable of storing electronically faxes received from the user's fax machine along with user information including user selections and user identification.
